

EXTEND INVITATION TO EXHIBITION VISITORS

**DOMINION AUTOMOBILE COM-
PANY, 625 YONGE ST., IN-
VITE YOUR PRESENCE**

The new premises of the Dominion Automobile Company, Limited, local distributors of Hudson, Essex and Peerless automobiles, located at 625 to 629 Yonge street, at the corner of Isabella, is well worth a visit, whether you are an automobile owner or not. The salesroom proper is conceded by everyone to be the finest in Toronto, if not in Canada. The architect who designed it copied it from the finest sales salons in Paris. Exhibition visitors are cordially invited to inspect our salesrooms.

The accessories department is located on the main floor at the back of the salesroom, and is also conveniently located on the driveway. The stock room in connection with the accessories department is located in the basement, where a stock valued at approximately \$80,000 is carried. This firm have a reputation for giving real service on the cars they handle, and carry parts for all Hudson models, even as far back as 1910, and also a full stock of parts for Essex and Peerless cars.

The repair and service departments occupy the two upper floors, in a space of 28,000 square feet, and a yard at the end of the building, which has accommodation for from forty to fifty cars, together with a fully equipped machine shop and battery room. This accommodation, with all the latest appliances for handling cars, puts them in a position to give quick service on any repair work they are called upon to do. They also maintain a fully equipped paint shop, under the direction of a first-class automobile painter, and are therefore in a position not only to do all repairs on a car, but also to paint it, if the owner so wishes.

The gasoline and oil service station is located on the Isabella street side, and a wash rack capable of holding two cars at a time is

reached through a separate entrance, also from Isabella street. This firm are opening a branch at 131 King street west, Hamilton, Ontario, which will look after their customers in that city and the surrounding country, and will be so equipped as to give automobile owners the same kind of service for which the Dominion Automobile Company has made a reputation in Toronto.
