IY FOR

CITIZENS TO OPPOSE TELEPHONE CHARGES

Gather in Great Numbers at City Hall to Express Their Views.

RESOLUTIONS PASS

Local Bodies Promise Co-operation With the City Council.

If the officials of the Bell Telephone Co. had any doubts as to the attitude of the business men and citizens generally towards their application for power to increase the telephone for power to increase the telephone perts be engaged to give evidence in rates, such doubts should have been opposition to the application. set at rest at yesterday's mass meeting at the City Hall. The proposal to fight the application to the last perts where necessary ditch was unanimously and enthusiastically endorsed, and Mr. C. F. was bombarded with questions when he undertook to explain the why and

wherefore of the application. The Conucil Chamber began to fill long before three o'clock, the advertised time of the meeting. A number that were possibly ahead, and not to do any thing to encourage Bolsheing Ald. F. M. Johnston, Ald. BeaBell Telephone should think twice mish, Ald. Sam Ryding. The ladies before pressing the application. were well represented both in the claration that "if the application was

F. Sise and Local Manager Frank upward trend of railway and express! told of the establishment of a flat rate for Toronto. He said the pre- way Board to hold a sitting in Tosent application for increases should ronto to hear protests and to albe postponed for a year.

He stated that the Board of Control had given instructions for the application to be strenuously op- profits was not now a business, it was a disease. Not only the Bell

Board in Line.

W. D. Dineen, of the Board of Education, briefly supported opmosition

position. W. C. Miller, Retail Merchants' Association, assured the meeting of the co-operation of his association. He said a record taken by seven merchants had shown by the new rates that the bills would be increased from 40 to 500 per cent. He said his association had already engaged counsel to oppose the application of the company.

Trustee Dr. Hunter, representing-

the Board of Education, spoke strongly against the proposed rates. The board, he declared, "resented the proposal to increase the burden of

W. W. Parry, president of the Toronto District Command of the O.W.V.A., championed the cause of the returned men who were slowly being re-established. Many were just "getting on their feet" in small businesses, and any increase in telephone rates would place a serious burden upon these men. Conditions were abnormal, and the rates should be breed and the rates should be based on normal conditions. The returned men had their Own idea of what "public utility" neant, and if the company insisted
