BETTER THAN A GOLD MINE.
A GLORIOUS OPPORTUNITY TO GROW RICH.

DO NOT LET IGNORANCE OR PREJUDICE blind you to the fact that Mimico has advantages that Parkdale has never had; you do not know that.

NINE LARGE FACTORIES
WILL SUPPORT A CITY OF TEN thousand people (10,000 people)!

THE PESSIMIST AND NARROW-MINDED man, who judge other people by their own limited scale, cannot comprehend the fact that

TORONTO
IS SUPPORTED BY ONE OF THE LARGEST countries upon the face of the globe. Will they one have the hardihood to say that Canada is not destined to be a great nation? These same men would scoff at you if you suggested the idea, and yet they cannot realize that the future of Toronto is governed by the destiny of our glorious country. As Canada rises so

TORONTO WILL GROW
UNTIL THE PROPHETIC WORDS OF Mr. Van Horne are realized and every lot now surveyed and many others are covered with dwellings.

WE PREDICT THAT PROPERTY NOW selling around Mimico at \$5 to \$8 per foot will rise within four years at \$25 to \$40 per foot.

WE HAVE A CAREFULLY SELECTED list of
